Supply of Transformers, with Regard to RoHS Directive (2011/65/EU)

Regarding the European Directive “Restriction of the Use of Certain Hazardous Substances” 2011/65/EU (“RoHS Directive”), and its relevance to the manufacture of Power Transformers by Leeds Transformer Company Limited, we are pleased to advise the following:

Based on the information provided by our raw material suppliers, we declare that our product -

Power Transformers

Contain none of the listed components above the stated proportions

Lead: 0.1%, Mercury: 0.1%, Cadmium: 0.01%, Hexavalent Chromium: 0.1%,
Polybrominated Biphenyls: 0.1%, Polybrominated Diphenyl Ethers: 0.1%

Additionally

Supply of Transformers, with Regard to European Regulation (1907/2006) concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals

Regarding the European Regulation (1907/2006) concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), we are pleased to advise the following:

Leeds Transformer Co do not import chemicals into the EU or manufacture chemicals (over 1 Tonne pa) and are therefore not required to register.

Furthermore, Based on the information provided by our raw material suppliers, we declare that our product is free from the substances listed in the ECHA list of substances of very high concern (SVHC - Issue June 2015)
